

Prasenjit Chatterjee

Date of Birth: 20 th September Male, India	Permanent Add: Pipilai Post- Jagadishpur Hat, P.S.- Domjur Dist.-Howrah 711114, West Bengal
	Mobile Number: +91 9433704455 Email ID: prasenjit2ju@gmail.com prasenjit.chatterjee89@gmail.com

Objective:

Intended to build a carrier with leading Professional, in the current Industries with leading corporate of Hi-Tech. Environment with committed and dedicated people, which will help me to explore myself fully at realize my potential willing to work as a key player in challenging and creative environment and synchronize with new technology while being resourceful, innovative and flexible.

Preferred Location of Jobs:

Anywhere in India and Abroad

Profile:

- ❖ **08+** year's professional experience with **IBM India Private Limited** (Global Business Services).
- ❖ **05** years teaching experience with Birbhum Institute of Engineering & Technology, Suri, Birbhum.
- ❖ **01** year of professional experience with Poddar Technology Solutions Ltd. Kolkata in VB & .Net Technology.
- ❖ **07+** years of hands on experience with Software Design and development of J2EE applications.
- ❖ Trained in Agile methodology.
- ❖ Knowledge of Credit risk, Banking Retail, Insurance, Travel & Transportation and finance domain.
- ❖ Possess excellent inter personal communication, analytical, technical and communication skills coupled with the ability to quickly embrace and understand new technologies.
- ❖ Having excellent technical skills in COBOL, JCL, VSAM & DB2 along with good analytical mindset.
- ❖ Exposure to mainframe **CICS Web Services** (both SOAP and REST services) along with knowledge of JSON – JSON Schema (JSD), XML - XML Schema (XSD) as well as worked on **Cassandra Database** and **ZFAM**.
- ❖ Good understanding of SOA, XML, WSDL and Message Broker, MQ series.
- ❖ Conducting class room training for IBMers across location WM875 -CICS V5 Advanced Application Development for SOA and Web Services on (April to October 2018).
- ❖ Conducting several workshop for Master in Mainframe in different engineering college in west Bengal from (Sept 207- Till date).

Educational Qualification:

- ❖ **Masters of Technology (M.Tech) in Distributed & Mobile Computing** from Jadavpur University, Year 2011 – (69.80%)
- ❖ **Bachelor of Technology(B.Tech) in Information Technology** from West Bengal University of Technology (WBUT), year 2005 – (7.68 CGPA/75.00%).

Summary of Professional Experience:

- ❖ Worked as Software Developer at **Poddar Technology Solutions** (India), Kolkata.(**01/09/2005 to 30/08/2006**)
 - Primary responsibility is to develop, debug, maintain and enhance the programming [Technology platform of the Visual Basic - 6 and Access/ SQL server and Dot net Technology].
- ❖ Worked as Lecturer/Assistant Professor at Birbhum Institute of Engineering & Technology (India), Suri, Birbhum. Govt. Aided TEQIP –II funded AICTE approved Institution under West Bengal University of Technology, Kolkata. - (**04/09/2006 to 30/06/2011**)
 - Primary responsibility is to Taking various CSE and IT Subject Classes for B.Tech Students.
 - Final year B.Tech Project Guide for CSE/IT/ECE students.

- Appointed as Semester examination Examiner by West Bengal University of Technology.
- Satellite Interactive Terminal/EDUSAT coordinator under ISRO/BEL and WBUT Project.
- Curriculum design for school of multimedia design with BIET and NITTR Bhopal
- Apart from the technical responsibilities, I am entrusted with the responsibility of Hostel Superintendent of E2 block at Birbhum Institute of Engineering & Technology (BIET) Suri, Birbhum (West Bengal), India.
- Other Responsibility-
 - Internal Examiner for B.Tech degree Course for semester examination of various Papers. Special duty of the Examination Cell of the College.
 - Attending various counseling and Pre – Counseling sessions on behalf of the college.
 - Represent College BIET in WBUT and perform various administrative jobs like Student registration, incomplete, review and withheld results.
 - Co- ordinate actively the Training and placement cell.

❖ Presently Working as **IT Specialist at IBM India Private Limited (Global Business Service)**. In Mainframe Application Developer, From **23/06/2011 to Till Date**

- Account Name – **National Accounting System (NASCO) in USA [04-09-2011 to 22-02-2012]** as offshore team member
 - Primary responsibility is to Analysis, coding, testing, debug, maintain and enhance the Systems also to the account [Technology platform of the IBM Mainframe 370/390 assembler in MVS /ZOS in Health care Industry].
 - Coding with Assembly level language.
 - Other tools used – PDM, Expeditor etc
- Account Name – **CITI Bank (CITI – CPB Mutual fund) in Singapore [01-03-2012 to 20-04-2012]** as offshore team member
 - Primary responsibility is to prepare design documents, Analysis, coding, Testing, debug, maintain & enhance the Systems also proposed some new Idea to the account [Technology platform of the is IBM Mainframe 370/390 assembler in MVS /ZOS in Banking Industry].
 - Coding with COBOL CICS JCL and DB2
 - Other tools used – Citirix, Expeditor etc.
- Account Name – **Hertz (Hertz AMS – GSYS) in USA [23-04-2012 to 02-04-2014]** as offshore team member
 - Primary responsibility is to prepare design documents, Analysis, coding, Testing, debug, maintain and enhance the Systems also proposed some new Idea to the account [Technology platform of the is IBM Mainframe 370/390 assembler in MVS /ZOS in Travel & Transportation Industry].
 - Coding with COBOL CICS JCL and DB2.
 - Other tools used – Maximo, Trace master, Endeavor, SDF – II
 - Responsible for Hertz Asset Management in Hertz Account for Hertz on call Support process.
- Account Name – **FOTL (Fruit of the Looms AIS) in USA [01-12-2013 to 30-05-2014]** as offshore team member
 - Primary responsibility is to prepare design documents, Analysis, coding, Testing, debug, maintain and enhance the Systems also proposed some new Idea to the account [Technology platform of the is IBM Mainframe 370/390 in MVS /ZOS in Retail Industry].
 - Coding with Easytrive, COBOL CICS JCL IMS and DB2.
 - Other tools used – PAN VALET, Xpeditor, IBM Migration Utility(IMU), Endeavor, SDF – II
- Account Name – **WALMART (Walmart America AIS) in USA [14-05-2014 to 09-02-2017]** as offshore team member
 - Primary responsibility is to prepare design documents, Analysis, coding, Testing, debug, maintain and enhance the Systems also proposed some new Idea to the account [Technology platform of the is IBM Mainframe 370/390 in MVS /ZOS in Retail Industry].
 - Coding with COBOL CICS JCL IMS and DB2, VSAM, SOAPUI and CICS Web Services
 - Other tools used – Librarian, Xpeditor, File-AID, SOAPUI, HPALM, QMF etc.
 - Responsible for Wal-Mart AIS account offshore team lead for attending Scum call.
- Account Name – **Amica (Amica Mutual Insurance AMS) in USA [10-02-2017 to Till Date]** as offshore team member
 - Primary responsibility is to prepare design documents, Analysis, coding, Testing, debug, maintain and enhance the Systems also proposed some new Idea to the account [Technology platform of the is IBM Mainframe 370/390 in MVS /ZOS in Insurance Industry].
 - Coding with COBOL CICS JCL VSAM and DB2.
 - Other tools used – Control M, Xpeditor, SDF – II, QMF for Windows etc.

DETAILS OF PROFESSIONAL EXPERIENCES

Date of Join to Leave	Organization Name	Designation in the Organization
June 2011 to Till Date	IBM India Private Limited – GBS worked as IT Specialist/ Senior System Engineer/ Senior Application Developer Mainframe Technology	(a) NASCO account Application Developer of Front End offshore team member using (Assembly Language and COBOL) (b) CITI Bank account Application Developer of CITI CPB offshore team member using (COBOL, CICS, DB2, JCL) (c) Hertz AMS account Application Developer of GSYS offshore team member using COBOL, CICS, DB2, JCL) (d) FOTL AIS account Application Developer of offshore team member using (Easytrive, COBOL, CICS, DB2, JCL, IMS) (e) Wal-Mart AIS account Application Developer of OMS offshore Team member using (COBOL, CICS, DB2, JCL, CICS Web Service, SOAP) (f) AMICA AMS account Application Developer of MASS Auto offshore team member using (COBOL, CICS, DB2, JCL, VSAM)
September 2006 to June 2011	Birbhum Institute of Engineering and Technology, Suri, Birbhum, West Bengal, India	(a) Lecturer in CSE and IT department (b) Assistant Professor in CSE and IT Department (c) Hostel Superintendent of E2 Block. (d) Coordinator of Satellite Interactive Terminal (ISRO EDUSAT+BIET+WBUT, Kolkata)
November 2005 to August 2006	Poddar Technology Solutions, Kolkata, West Bengal, India	(a) Trainee software developer (b) Software Developer

DETAILS OF TEACHING EXPERIENCES:

Institute	Course	Major Subjects Taught	Duration
Birbhum Institute of Engineering & Technology, Suri, Birbhum (W.B)	UG – B.Tech Department of Computer Science and Engineering and Information Technology	(a) Computer Networks (b) Internetworking (c) Mobile Computing (d) Visual Programming & Web Technology (e) Formal Language and Automata Theory (f) Object oriented programming (g) Database Management System (h) Distributed system concepts	04th Sept, 06 To 30th June, 11 (04/09/2006 To 30/06/2011)

MAJOR PROJECTS HANDLED

Organization	Role	Technology Used	Name of the client	Duration	Remarks
IBM India Private Limited – Global Business Services (GBS)	Senior Application Developer – MASS Auto offshore Team member	Mainframe Tech [Assembler, COBOL, CICS, DB2, VSAM, JCL]	Amica Mutual Insurance United States of America (USA)	10/02/2017 To Till Date	Financial Sector Insurance Industry Project
IBM India Private Limited – Global Business Services (GBS)	Senior Application Developer – OMS offshore Team	Mainframe Tech [Web Services, COBOL, CICS, DB2, IMS JCL and VSAM]	WALMART United States of America (USA)	14/05/2014 To 09/02/2017	Distribution Sector Retail Industry Project
IBM India Private Limited – Global Business Services (GBS)	Application Developer – Migration offshore Team member	Mainframe Tech [Easytrive, COBOL, CICS, DB2, IMS JCL]	Fruit of the looms(FOTL) United States of America (USA)	17/12/2013 To 18/05/2014	Distribution Sector Retail Industry Project
IBM India Private Limited – Global Business Services (GBS)	Application Developer – GSYS offshore team member	Mainframe Tech [COBOL, CICS, DB2, JCL, VSAM, TPF]	Hertz Rent a CAR United States of America (USA)	01/04/2012 To 02/04/2014	Distribution Sector Travel and Transportation Industry Project
IBM India Private Limited – Global Business Services (GBS)	Application Developer – CPB Rainbow offshore team member	Mainframe Tech [COBOL, CICS, DB2, JCL]	CITI Bank Singapore	27/02/2012 To 20/04/2012	Financial Sector Banking Industry Project

IBM India Private Limited – Global Business Services (GBS)	Application Developer – Front End offshore team member	Mainframe Tech [COBOL, Assembler, JCL]	NASCO United States of America (USA)	05/09/2011 To 19/02/2012	Public Sector Health Care Industry Project
Poddar Technology Solutions	Software Developer	Visual Basic 6.0 Visual Basic dot net Access/SQL Server	Poddar Technology Solutions Kolkata	01/10/2005 to 20/08/2006	School, Hospital & Medical shop maintenance various software
Birbhum Institute of Engineering & Technology	Project Guide	Java 1.4.x Java Server Page Flash Photoshop Net Beans etc.	SDMBRI - NGO	01/06/2008 to 31/05/2009	Website Designing Running Successfully
Birbhum Institute of Engineering & Technology	Project Guide	Java 1.4.x Java Server Page Office Package Flash Photoshop Net Beans Swish Eclipse etc.	Birbhum Institute of Engineering & Technology	04/09/2006 to 30/06/2011	Campus tracking College Website Designing

DETAILS OF MY RESEARCH PROJECT:

01 years (May 2010 – May 2011) at Jadavpur University – My Own M. Tech Thesis work

Domain: Involved Implementation of Check pointing for large system GRID Computing in Grid-Sim Simulator

Designation	Post Graduate(M.Tech) student
Location	Kolkata, India
Platform	Grid Computing
Project Title	Implementation of Check pointing in large scale GRID Environment running in a simulator
Software/OS	Java 1.6.x, Eclipse, Grid Sim Simulator Tool, GNU Plot, MS Office Package and Fedora
Skill Gained	Gaining Overview for implementation on large distributed System. Also gaining some idea on GRID system and how it works in real environment.

Description:

This work is primarily concerned with modeling large simulating GRID environment Check pointing is a facility to save the complete status of an executing program or job and to restore and restart from this so-called checkpoint at a later point of time if the original program or job was halted, e.g. through a system crash. GRID SIM Supporting different Grid environment may easily force Grid Engine to introduce GRID SIM environment dependencies for the configuration of the check pointing configuration file and updates of the supported environment may lead to frequently changing implementation details.

Responsibilities:

- Involved in impact analysis and development of new JAVA programs in GRID Simulator environment.
- Involved in coding, designing and requirement gathering also check pointing in large simulating environment.
- Preparation of Unit test cases for failure resources in Grid simulating environment.

DETAILS OF MY RECENT PROJECT:

Currently working on Amica Mutual Insurance account at IBM India from February 2017 to Till date

Domain: Involved in project of insurance industry with enhancement & scratch development or migration to Decommissioning mainframe and enable UI on this Team as an MA Auto offshore team member.

Designation	Senior Application Developer
Location	Kolkata, India
Platform	Mainframe Technology zOS/MVS and CICS web services
Project Title	Amica Mutual Insurance MASSAUTO - AIS
Software/OS	COBOL, CICS, DB2, JCL, IMS, VSAM, SoapUI, Cassandra, windows QMF, IBM RDZ etc.
Skill Gained	Gaining detail Overview for implementation on large distributed System, Leadership skills, offshore project management, Different management domain knowledge

Responsibilities:

- Enhancement and Development of the existing/new COBOL modules.
- Developing Unit test plan as per the design and delivering on time.
- Responsible for following the quality process and proper documentation of the tasks in hand.

- Updating database as part of ticket resolution and taking backup through DB2 SPUFI/QMF.
- Participating in daily status review meeting & to coordinate integration aspects with onsite team.
- Project documentation such as Application workflow files, KT files, important codes and their management.
- Maintaining the required documents in the shared drive for audit purposes.

03 years (May 2014 – February 2017) in WALMART Account at IBM India Private Limited, GBS

Domain: Involved in project of retail industry with enhancement & scratch development or migration to web enable Enhancement on this Team as an OMS offshore team member.

Designation	Senior Application Developer
Location	Kolkata, India
Platform	Mainframe Technology zOS/MVS and CICS web services
Project Title	WALMART replenishment Order Management System (OMS) - AIS
Software/OS	CICS Web Services(SOAP/REST), COBOL, CICS, DB2, JCL, IMS, VSAM, SoapUI, Cassandra, Fiddler, windows QMF, CICS Explorer, IBM RDZ, DBEver etc.
Skill Gained	Gaining detail Overview for implementation on large distributed System, Leadership skills, offshore project management, Different management domain knowledge

Responsibilities:

- Worked on applications that use COBOL-CICS, Web services and CICS –DB2.
- Enhancement and Development of the existing/new COBOL/COBOL CICS modules.
- Developing Unit test plan as per the design and delivering on time.
- Responsible for following the quality process and proper documentation of the tasks in hand.
- Updating database as part of sync related taking backup through DB2 SPUFI/QMF or Platinum.
- Participating in daily status review meeting & to coordinate integration aspects with onsite team.
- Sharing Minutes of meeting of Daily Scrum team meetings with team and scrum master and Scrum Lead.
- Acted as point of contact in the absence of my team lead.
- Acted as chairperson for conducting the team meeting

06 Months (December 2013 – May 2014) in FOTL Development Account at IBM India Private Limited

Domain: Involved in project of retail industry with enhancement & scratch development and conversation EZTrive To COBOL equivalent code as an offshore team member.

Designation	Application Developer
Location	Kolkata, India
Platform	Mainframe Technology zOS/MVS and IMU tools for conversation.
Project Title	FOTL Migration, Development - AIS
Software/OS	Easytrive, COBOL, CICS, DB2, JCL, IMS, VSAM, SDF –II IMU tools etc.
Skill Gained	Gaining detail Overview for implementation on large distributed System, Leadership skills, offshore project management, Different management domain knowledge

Responsibilities:

- Generating COBOL program from EZTrive, JCLs, and copybooks as per technical specifications.
- Requirement and Impact analysis.
- Understanding the application.
- Successfully delivered Unit and Regression tested code for the Migration of an Eztrive based Mainframe application to Generated Cobol program on Mainframe using IMU Tools.
- Generating code based on the requirement specifications & trouble shooting involving deep level code investigation.
- Debugging and troubleshooting report access issues.
- Creating support documents for the applications.
- Participate in peer reviews. Assist my peers in their work.

02 years (April 2012 – March 2014) in HERTZ Account at IBM India Private Limited, GBS

Domain: Involved in project of travel and transportation industry with enhancement & scratch development and Enhancement on GSYS as an offshore team member.

Designation	Application Developer
Location	Kolkata, India
Platform	Mainframe Technology zOS/MVS.
Project Title	Hertz Global System Integration - AMS
Software/OS	COBOL, CICS, DB2, JCL, IMS, VSAM, SDF –II, Trace master etc.
Skill Gained	Gaining detail Overview for implementation on large distributed System, Leadership skills, offshore project management, Different management domain knowledge

Responsibilities:

- Coordinating with various other concerned teams when required.
- Understanding the business and technology of the client system for providing them with quality deliverables.
- Querying data from database for unit testing using SPUFI.
- Regularly monitoring the Maximo Queues & Resolving tickets assigned.

- Involved in Development project of migration project where various activities involved like programming, documentation and support.
- Identifying problem in the failed jobs in Pre-production and production environment and Fix the jobs by myself and effectively brings systems to become functional. Assignment involves me judgment is required a majority of the time.
- Involved with resolution of complex software development issues that created in a production environment. I work as part of the technical team and will provide the resolution for the incident (ticket) and it will be conveyed in a concise and professional manner with in the specified time to meet the SLA.
- The few activities like loading the data into the system, and tracking, maintaining and producing the regular and ad hoc reports also fix Balancing issue completing the work in accordance with accepted practices.

04 Months (January 2012 – April 2012) in CITI Bank Account at IBM India Private Limited, GBS

Domain: Involved in project of Financial/Banking industry with enhancement & scratch development and Implement on new rainbow international standard as an offshore team member.

Designation	Application Developer
Location	Kolkata, India
Platform	Mainframe Technology zOS/MVS.
Project Title	CITI Bank - CITI Private Bank (CPB) - AIS
Software/OS	COBOL, CICS, DB2, JCL, IMS, VSAM, SDF –II, Trace master etc.
Skill Gained	Gaining detail Overview for implementation on large distributed System, Leadership skills, offshore project management, Different management domain knowledge

Responsibilities:

- Involved in articulating business and functional requirements by developing specifications for optimised coding and testing as per technical specifications.
- Requirement and Impact analysis for new rainbow systems.
- Extract involves the DB2 table extract using BMC unload and other IBM tools.
- Transformation is for new bank customization using COBOL and SORT.
- For LOAD used CA FASTLOAD and IBM Load utilities.

06 Months (September 2011 – February 2012) in NASCO Account at IBM India Private Limited, GBS

Domain: Involved in project of insurance industry with enhancement & scratch development Implement on Local System Integration (LSI) as an offshore team member.

Designation	Application Developer
Location	Bangalore, India
Platform	Mainframe Technology zOS/MVS.
Project Title	NASCO, Local System Integration(LSI) - AMS
Software/OS	COBOL, Assembler, DB2, JCL, VSAM, Control M, Change Man, Xpeditor etc.
Skill Gained	Gaining detail Overview for implementation on large distributed System, Leadership skills, offshore project management, Different management domain knowledge

Responsibilities:

- Involved in articulating business and functional requirements by developing Assembler/COBOL coding and testing as per technical specifications.
- Understanding the business & technology of the client system for providing them with quality deliverables.
- Coordinating with various other concerned teams when required.
- Involved in Business calls to understand the requirements.

Training

Organization	Course	Duration	Coordinator
IIT Kharagpur	Short Term Course on “Network Security – Theoretical & Practical perspective ”	2nd – 7th August of 2010	MHRD / AICTE
IEEE ComSoc	“IEEE Nano- CAS 2010 ” at Tata Consultancy Services	July of 2010	IEEE / CAS/ Comp Society
Jadavpur University Kolkata	Refresher course on – “Wireless Ad-hoc & Sensor Networking.”	5th – 23rd January of 2010	SMCC-JU/ UGC
IIT Kharagpur	Winter School on - “Logic & Application of Logic”	5th – 16th January of 2009	MHRD / AICTE
NITTTR- Kolkata	Summer School on - “Design Issues for Information Systems-Software Engineering Approach”	14th – 26th July of 2008	MHRD / AICTE
West Bengal University of Technology - Kolkata	Training Program for SIT coordinator on “Resource Persons for Content Generation of Edusat”	19th – 23rd August, of 2008	ISRO – Ahmadabad

WEBEL Technology Limited- Kolkata	Vocational Training & Project on “PC Maintenance Computer Hardware & Networking” Using VB,SQL, ODBC)	Summer Vacation of 2004	Mr. P. S. Mitra
PCS Technology (Patni Group) – Kolkata	Vocational Training on “PC Maintenance computer hardware”	1st - 31st July of 2004	Mr. Subrata Bhowmik

PERSONAL DETAILS

Software Exposure:

Operating System	Linux(Red Hat, Fedora) Windows, Z OS/MVS
Languages	COBOL, CICS, C, Java(Core & Advance), JEEE, J2ME (RMI), Assembler
4GL Language	Visual Basic. (6 and Dot Net), CSS, JQuery
Scripting Language	Java Script, Angular JS, JQuery
Databases & Tools	Oracle, Access, SQL Server, DB2, DBEver, QMF for windows
Area of Interest	Cloud, Mobile Apps development, UI(HTML, Bootstrap, Angular JS), Networking, Distributed System, Operating System, Database Management System and Formal Language & Automata Theory. Web Services SOAP/REST
Other Utilities	Rational Rose 2000(Enterprise Edition),FrontPage, Dreamweaver, IE, Netscape Navigator Flash, Photoshop, SWISS, AVID LEQUID, Pinnacle, MS Project, Eclipse ,Net-Beans, Wireless Toolkit, NS2, Web Strom etc.

Professional Certification Done:

❖ IBM Prime Certifications:

- 000 – 730 - **IBM Certified Database Associate -- DB2 9 Fundamentals**
- 000 – 733 - **IBM Certified Application Developer - DB2 9**
- 000 – 280 - **IBM Certified Solution Architect - Cloud Computing Infrastructure V1**
- 000 – 281 - **IBM Certified Solution Advisor - Cloud Computing Architecture V2**
- 000 – 283 - **IBM Certified Solution Advisor - Cloud Computing Architecture V3**

❖ Global Certifications:

- IZO-851 – **Oracle Certified Java Professional JavaSE6 Programmer**

Other Job Related Activities:

- ❖ Taking active involvement in IBM Sponsored on Demand Community (ODC) for computer literacy program (CLP) and Prafulla – as core team member.
- ❖ Co – ordinate diversity off campus drives for Graduate Hires at Techno India Campus, Kolkata as a Volunteer in February 2013.
- ❖ Active team member of convergence team event for my current assignments Amica, Previous assignment Walmart and HERTZ AMS account for conducting different team events in every Quarter like several Indoor and outdoor events, Quiz competition, team lunch, team outing, movie watching etc.
- ❖ Part of IBM tech panelist for IBM mainframe CICS, COBOL recruitment panel. Also attached with several IBM University Relationships program as team members.
- ❖ Actively participating in project related calls and briefing on project progress.

Extra-Curricular Activities:

- ❖ Participated in organizing the college fest.
- ❖ Joined in competition of Cricket & Badminton in local club.
- ❖ Organizing Quiz competition in a local school successfully last five years.
- ❖ A Kids School’s Computer Center running & maintained by himself last four years.
- ❖ Interests include Bike Riding and car driving.
- ❖ Leader in managing team for the national level technical feast conducted by our department in the college.
- ❖ Completed Junior- Diploma in Drawing from Sarba Bharatiya Sangeet-O-Sanskrit Parisad.
- ❖ The certificate course on social service-Blood Donors motivation and recruitment by Association of Voluntary Blood Donors (West Bengal) in 1999.
- ❖ Organizing Shristichara’08 (BIET) college Fest as a Vice President.
- ❖ Organizing and Participated **IEEE** One day Out-Reach Programme on “Recent Trends in Communication Information and Technology” at BIET – Suri, Birbhum on 11th April 2008

- ❖ Associate with IBM social welfare events like Computer Literacy Program (CLP) as Core Team member Instructor, Lead coordinator, Prafulla as event coordinator etc.
- ❖ Completed First AID CPR training and responsible for DLF building medical responder since June 2015.
- ❖ Awarded with prestigious IBM GBS GD Eminence and Excellence award in 2014.
- ❖ Awarded with Eminence excellence award for work towards MAAUTO contributions received from AMICA.
- ❖ Awarded more than 10 professional badges including Agile and Micro services from IBM.

PERSONAL PARTICULARS:

Fathers' Name :	Lt. Narayan Chatterjee	Mother's Name :	Dipali Chatterjee
Nationality :	Indian	Sex :	Male
Marital Status :	Married	Date of Birth :	20th September 1981
Category :	General	Blood group :	B positive(B+)
Languages Know :	Bengali, English, Hindi		
Hobbies :	Listening Music, Making friends, Traveling & Playing Cricket.		
Interest :	Making Software/ Web pages (UI), Designing Mobile Application.		
Passport No. :	F5509972 (REPUBLIC OF INDIA)		
PAN No. :	AHJPC8549G (GOVT. OF INDIA)		
NSR Acknowledgement No.	109047117		
Driving License No.:	WB - 1120080046945 (MOTOR CYCLE/LMV -NT)		

Awards and Achievement:

- ❖ *Participate in the inter school Quiz competition in 1996.*
- ❖ *State level "youth Parliament" competition organized by Dept. of Parliamentary Affairs (Govt. of West Bengal) and was placed the second in 1995-96.*
- ❖ *IBM GBS GD Eminence and Excellence award winner in 2014.*
- ❖ *Received several IBM manager's Choice Award last December 2018 also received one of them.*
- ❖ *Participate in the IBM sponsored Teachathon (IBM Cloud – Bluemix and Watson) competition in 2014.*
- ❖ *HRD Scholarship: Received post-graduation scholarship based on GATE rank.*
- ❖ *Received Walmart-RBA spot award for timely and defect free delivery.*

My Strength Points:

- ❖ Work hard and honesty.
- ❖ Solving compatibility problems in different software.
- ❖ Superior work ethic; gain great satisfaction from working to achieve as part of a team.
- ❖ Making friends.
- ❖ Quick and rapid at learning of new initiatives.
- ❖ Ability to meet deadlines through effective time management,
- ❖ Good communication skills and Flexibility.
