

## Visit to AGNI Green Power Ltd. By CReSES Students

Students from the Centre for Renewable & Sustainable Energy Studies (CReSES) had an enriching industrial visit to AGNI Green Power Ltd., a leader in the Renewable Power sector in Eastern India. During the visit, students gained invaluable insights into cutting-edge renewable energy technologies, sustainable practices, and the operational dynamics of a leading power company. This hands-on experience provided them with a deeper understanding of the industry, equipping them with knowledge and skills essential for their future careers in renewable energy.
